## **Last Week of Loose Leaf Pick up**

The City of Corning's Department of Public Works would like to remind all city residents that the last week of pick up will be Monday, November 14, 2016 through Friday, November 18, 2016.

To insure that your loose leaves are collected in the final week of collection, they must be raked to the curbside by Monday, November 14th. @ 6:00 A.M. Leaves that are not left by the curb on or before November 14th must be bagged. The City will start picking up bagged leaves on November 21st and will end on December 16th. All leaves must be placed in clear plastic bags.

Tip: Mulching your leaves with a lawn mower or other mulching device prior to bagging can reduce leaf volumes. (10 bags of loose leaves = 1 bag of mulched leaves)
