Subject: Councilmen Meetings/Tours with Housing Study Consultants

Councilmen,

The consulting firm hired by the City to conduct the Housing Study, Fairweather Consulting, will be visiting Corning March 24 and 25 for a full two days of stakeholder input. The consultants are Peter Fairweather and Ken Gifford.

The morning of March 25th has been set aside for meetings/tours with Councilmen in the neighborhoods. Please note that you have been paired with another Councilman. The schedule is as follows:

8:30a – 10:00a

Boland/Karam
Nelson/Cavallaro

Peter Fairweather
Ken Gifford

10:00a – 10:30a

Break/Transit

10:30a – 12:00p

Muccini/Coccho
Welles/Maio

Ken Gifford
Peter Fairweather

While the specific conversation you have with the consultant is yours to determine, consider including at least one house that has ‘failed’, one that represents the ‘best’, and one that is on the ‘edge.’

Please work out the specific route to be taken for your meeting/tour with the Councilman with whom you are paired.

If anyone is unable to make the meeting/tour discuss what you would like covered with the Councilman with whom you are paired, for their presentation on your behalf.

Northside groups, meet the consultant in the Senior Center parking lot. Southside groups, meet at City Hall. Plan to arrive 10 minutes early.
