Parks Improvement Committee Meeting
July 30, 2018, 5:00 pm
West Conference Room

Attendees

Committee Members: Councilmen Frank Muccini, Kate Paterson, Diane Telehany and Mayor Bill Boland
Members of the Public: Daniel Ragland

The meeting was called to order at 5:03 pm.

New Business

There was a discussion about the Committee's park walks. During the discussion of Denison Park, it was agreed that finding a solution to the decreasing water level of the Denison Park pond is needed. Councilman Muccini expressed frustration that, considering the amount of time spent by the Committee to walk the parks, no staff member attended this meeting.

The Committee agreed on the answers to the questions posed by the City Manager concerning details about the Park Strategy Request for Proposals. It was also agreed that Chairman Paterson would write up those answers in a draft memo, which the Committee would review before submitting to the City Manager. The Committee will meet again once the City Manager has completed the RFP.

Visitor Comments

Daniel Ragland thanked the Committee for taking on the work of improving the parks.

Motion to adjourn was unanimous at 6:15 pm.

Respectfully submitted,

Councilman Kate Paterson
