

PHYSICALLY CHALLENGED PARKING PERMITS

Applicants must reside in the City of Corning

Special handicapped parking permits are available at the City Clerk's Office under the following conditions:

- Completion of an application form is required by both the applicant and his/her attending physician.
- Either a temporary or permanent permit may be obtained, according to the direction of the attending physician.
- Permanent permits are valid for five years, and are renewable in five year increments.

Applications for License Plates for People with Severe Disabilities (MV-664.1/664.3) are issued at the State and County DMV Offices. Parking permits are issued by local governments and cannot be issued at DMV offices.
