

## **Parks Open House July 26, 2019**

The City of Corning is preparing a long-range strategy for its parks. The strategy will help shape the facilities and appearance of our parks to help meet the public's recreational needs.

In order to gather more input, the City is holding a Parks Open House on August 20, 2019 from 6:00 pm to 8:30 pm at the Corning-PP High School, 201 Cantigny Street, Corning, New York.

Input from the Open House will be used by the Parks Improvement Committee to help guide their recommendations for this new long-range strategy.

People are encouraged to bring their family and friends. Light refreshments will be available.
